- Theft, money and fidelity policies

Presenter: Eoin Lawless

Eoin has over 35 years' insurance experience, starting his career working in claims for insurance companies, handling all commercial classes including liability, financial lines and marine, with brief spells in underwriting and broking. In 2002, Eoin completed his law degree and was admitted as a barrister and solicitor of the High Court of New Zealand.

After the Christchurch earthquakes, he joined a specialist commercial loss adjusting firm, focusing on high value, complex insurance claims and commercial disputes. While there, he completed a Master of Laws degree in Corporate and Commercial Law at the University of Auckland. Eoin recently joined Integra Technical Services as a contract loss adjuster specialising in Public & Products Liability, Professional Indemnity and Dispute Resolutions.

In addition to his loss adjusting work, Eoin holds a practising certificate as a barrister and adjudicates and mediates disputes between clients and a statutory insurer. He has previously appeared as counsel in the District and High Courts and Waitangi Tribunal.
