Course Outline:

The course content will cover the following topics:

- Other possible reinsurance products
 - What are they?
 - How do they work
- Other possible reinsurer structures
 - What are they?
 - How do they work
 - Are they acceptable to regulators?
- Fac X/L and Proportional Treaty – how do they interact
- Liability reinsurance – why and how it can differ from other N/M classes
- A possibly changing market place – what is the likely direction of reinsurance in the future?

Presenter: **Peter C Cave BA (Hons) FCII**

Peter started his career in reinsurance in January 1964 and spent a very substantial part of his career with one specific international reinsurance broker, becoming a Director of Greig Fester (now part of AON Benfield). He had specific responsibilities for the Middle East, which he travelled extensively for over 20 years, working extensively with both small new operations and major international accounts.

He is the Senior Partner of The Confidence Partnership, a specialist training consultancy who have been involved in Designing, Preparing and Delivering Technical Courses (particularly but not exclusively with a reinsurance slant) in over 50 countries in the world both for Colleges and Commercial Clients, including Hong Kong and mainland China, e.g. CII, Lloyd's, Singapore College of Insurance, Tulane University, City University, Guy Carpenter, Swiss Re, Zurich Group, etc.
