

# CONTINUITY AND A LONG-TERM VIEW

**Distinct, complex and constantly evolving – every business is as unique as their insurance needs. To confidently progress in the face of risk and uncertainty requires a level of security you can only achieve through working with specialists.**

At Liberty Specialty Markets, this is what we promise. We partner with insurance brokers to bring value and solutions to more than 26,000 of Asia Pacific's most significant business and government organisations – helping them protect what they earn, build and own.

## Tap into unparalleled expertise

You'll benefit from a fully integrated team of underwriters, risk engineers, credit analysts and claims professionals, who combine their experience to truly understand your needs, provide tailored levels of cover and offer outstanding advice on our global specialist lines.

From the convenience of covers you can transact online, through to bespoke solutions for complex risks. Working with us means you're drawing on years of experience evaluating, pricing and managing risks.

## Who we are fuels what we do

As part of the Liberty Mutual Insurance Group, we take a long-term view and are wholly devoted to our policyholders and broker partners. We prosper together by unlocking opportunities which deliver shared success. Our mutual insurance status and unique perspective helps us make better decisions, deliver innovative solutions and pursue our goals to benefit our partners.

Founded more than a century ago, we have a profound sense of purpose. Our services help make the world a safer place. And we offer welcome continuity in an unpredictable world.

## Casualty

### Primary Liability

Our products cover a spectrum of risks, from small and medium enterprises to large corporate, government, construction or infrastructure projects, as well as high hazard risks.

### Umbrella / Excess

Limits up to \$US50m with worldwide jurisdiction.

### Environmental Liability

With gaps in pollution cover becoming increasingly apparent in traditional liability policies, we provide broad and comprehensive coverage for environmental impairment liability.

### Workers Compensation

In Australia, we're a specialist insurer for Excess of Loss Workers Compensation. In Singapore we offer primary cover through our Workplace Protect policy.

## Specialty

### Accident & Health

In Australia we offer a range of corporate Accident & Health insurance products, with a leading 24/7 emergency assistance and claims management service.

### Crisis Management

We help deliver financial protection and support clients in the food and nonfood sectors from product recall or product withdrawal incidents.

### Weather

Customised parametric insurance protecting against losses or damages incurred because of adverse, measurable weather conditions.

### Financial Risk Solutions

We insure international banks, multinational corporates and government agencies from risks arising from government intervention, contract frustration, political violence or credit default associated with investing in emerging markets.

### Marine

Our specialists cover General Cargo, Project Cargo with Delay in Start-up, Marine Liabilities, Commercial Hull and Ship Builder's Risk products.

### Surety

We provide creative surety bond solutions for our clients across the mid-market, large public and privately owned sectors. We bring proven experience in construction, engineering, manufacturing, energy, defence, resources and transport industries.

### Mergers & Acquisitions

For companies engaged in buying or selling a business, our Global Transaction Solutions insurance can facilitate the transaction.

## Terrorism

Global protection from hijacking, sabotage, riots, insurrection and confiscation.

## Professional & Financial Risks

### Directors & Officers

We write Directors & Officers Liability, Side A Excess and Initial Public Offering covers.

### Financial Institutions

As a leading insurer in this sector, we offer tailored cover for investment managers, offering Professional Indemnity, Directors & Officers and Crime covers.

### Professional Indemnity

We can arrange cover on a primary or excess basis for both traditional and emerging professions, including information technology and telecommunications consultants, management consultants, engineers, estate agents, property managers and corporate advisers.

### Cyber

Our specialist cyber risk underwriters have access to our global network of skills and experience. We offer a product encompassing a wide range of first and third party risks and a tailored approach to incident response.

## Property

### Construction

Our team of highly experienced construction underwriters and engineers combines technical understanding with significant underwriting experience and market-leading capacity to deliver risk transfer solutions for energy, process and heavy industries, as well as for building, infrastructure and civil engineering projects.

### Energy/Power Generation

We offer an innovative, flexible product, closely geared to the energy sector and to our clients' changing needs. We cover on-and offshore operations and construction, heavy industries and power generation. We support a broad range of renewable energy power generation.

### Property

Our specialist team's many years of industry experience gives them an in-depth understanding of material damage and business interruption cover. We offer a full-service proposition through a strong combination of skilled underwriting, risk engineering support and fuss free claims.

### Exploration & Production

Our tech savvy global team handle even the most intricate risks in the oil and gas industry.

### Heavy Industries

Cover is available across Asia Pacific for above ground mining and minerals, metals production and pulp/paper.

In Asia Pacific we have offices in Australia (Sydney, Melbourne, Brisbane, Perth & Adelaide), Hong Kong, Singapore and Malaysia. In China we participate as Liberty Specialty Markets Underwriting Division on the Lloyds China platform in Beijing and Shanghai.
