**Event Insurance Webinar: Managing Risks for a Successful Event**

---

**Date:** 27 October 2025 (Monday)

**Time:** 3pm – 5pm

**Mode:** Zoom

---

### Course Outline

Events, whether largescale concerts, corporate gatherings, sports competitions, or exhibitions, pose unique and often unpredictable risks. Beyond basic coverage, insurance professionals and event organizers must navigate issues such as contractual liability, non-appearance risks, terrorism and civil commotion, Cyber risk, and contingent business interruption.

Led by Melody Lai and Julie Quach, this interactive session will explore advanced insurance solutions, policy intricacies, claims scenarios, and strategic risk management approaches. Through real-world case studies and discussions, participants will gain a more sophisticated understanding of how to structure comprehensive event insurance programs, mitigate exposures, and effectively handle claims disputes.
